President's Message

Spring has arrived! Easter Sunday was a beautiful day, perfect for egg hunts or for GSRMC members it was a MEDALLION HUNT. Congrats to John P and Steve Y on winning MCA gold and receiving/qualifying for their Medallions in Atlanta. There is no higher achievement in the Mustang world.

Car Show Season is off and running. Time to spend hours detailing our cars in preparation for all the ooh's and aah's we'll receive every time someone sees our Mustangs. If you are going to a show or a cruise please hand out flyers for our Nielsen Dodge show. Contact me at 201.306.8127 if you need some.

I am so happy to hear that many of you have received your COVID vaccines. John and I finally have an appointment this Friday. Hopefully we will all be vaccinated soon, so we can enjoy our extended families/friends and attend events without worry.

MARCH

General Meeting was switched to Zoom at the last minute. They decided the hall was not ready for rental. I look forward to a time when you can make plans and be sure they won't be cancelled/changed due to COVID. Sorry for anyone who drove to the location.

Cruise #3 Road Rally Thanks to Mike and Louise D and Bill and Joanne C for a great day. We didn't do the cruise, but went to the end point and enjoyed a beautiful day in the park to await the arrival of the contestants. Congrats to Scott and Johnathan who won with the OLDEST car! See more details in Mike's article below.

APRIL

17th Mustang Day Celebration We have an exciting day planned with 3 segments thru Morris, Passaic and Sussex counties. Celebrate with us for the entire event or join a segment or 2. If your Mustang isn't up for the day, bring your daily driver. Kids and grandkids are welcome. This is a good time to stretch your legs and have a snack. SEGMENT 3: Cruise back roads to MECO Equestrian Center. We will take group pictures. You may pet and feed the horses (carrots will be provided). Every car will have the opportunity to have their picture taken with a beautiful, huge, jet black horse who is a thoroughbred, champion jumper. There will be a raffle

MAY

16th (rain date 23rd) Nielsen Spring Roundup Car Show As of today, everything seems to be on target thanks to Tom A and Al V. In the next weeks the trophies will be made. We need everyone to get the word out by hawking flyers at any car event. Remember to keep a few with you everywhere you go. Met someone who just purchased a Mustang at a food joint we stopped into. Ran out to my car and grabbed flyers for him and a friend. We still NEED more volunteers for a job at the show. Thanks to those that have already signed up. You can sign up at Mustang Day or the General Meeting or call/text Tom A at 973.229.7735. We also need you to reach out in the community to solicit raffle and door prizes. Most places only need a flyer, but I will have letters with our 501©3 info Mustang Day and the General Meeting.

JUNE

3rd-6th Team Shelby East Coast Grand Nationals Portions of this even can be coordinated with Carlisle.

4th-6th Carlisle Ford Nationals In this massive show, GSRMC always has several members bringing home a trophy! Enter your car by class or color, both are fun. If you don't want to enter a car, just drive down for the day and prepare to be overwhelmed. Make sure to bring your camp chairs to take a rest while visiting with members. I will talk about typical experience at the next meeting.

With the warm weather and vaccines, we look forward to meeting all our new members. I can't wait for the first Friday night Cruise-In at Boonton. Happy Mustang Day!!!

MY (AND MARE'S) MUSTANG STORY

Back in April 1986, I was looking for an old car to drive and fix up. My friend, Mark A., had a 1965 Mustang convertible for sale that he had just repainted white. I liked the car and bought it. I had no idea what I'd bought. That was the beginning of "Ken's '65" as it would become affectionately known.

Within a year it needed the engine rebuilt. Mark did all the work for free but I paid for the parts. Also that year, I had the transmission rebuilt. After driving the Mustang for a few years, I decided to restore it in 1989. Little did I know what was in store for me.

It needed inner rockers, floor pans, torque boxes, partial outer wheel wells and rear quarters. I did all the dirty work and a friend, Joe T. did all the welding. During the restoration, I discovered that the car was originally Vintage Burgundy. The decision was made to go back to the original color with 12 coats of Vintage Burgundy lacquer and 4 coats of clear coat and Ken's '65 was back on the road.

The 90's were great, I learned a lot about early Mustangs from club members. Drove many, many miles to MCA and AACA shows all over the east coast. I, along with my wife Maryann (Mare) always drove the car. The car won many Silver and Gold awards in MCA. In AACA it won 1st Junior, Senior. 1st Place Grand National, Senior Grand National and repeat Senior Grand National, plus many other awards.

In 1990 the Ken's '65 went under water from Hurricane Floyd. I had the car completely stripped to bare metal and had a friend, Mustang Jim, do a complete restoration on the car. Any part that was bad was replaced with Ford sheet metal. I removed

all the undercoating on it. It was finished like a new car. This took about 2 years, but was well worth the wait.

We stopped doing National shows around 2005, using the car for fun and local cruises, etc. Many thanks to all our friends for helping make Ken's 65 the way it is today.

Going back to the year 2000, I had been working with Mustangs as a hobby; buying, fixing up and selling. Around the beginning of that year, Mare said she would like to have her own Mustang convertible and it would make a nice 25th wedding anniversary gift, hmmm. I started to look around and could not find anything.

The day of our anniversary, July 19th, I was home, as Mare and I had spent the day together, when the phone rang. It was my friend Mark A., whom I had bought Ken's '65 from back in 1986. He was in a bind and wanted to know if I wanted to buy his 1966 Mustang convertible. After looking at it, I thought the price was too high. Mark then made me an offer I couldn't refuse so I bought it.

CLUB MEETING NEW LOCATION

CLUB NEWS

SPRING CAR SHOW

We will be conducting our monthly meeting Wednesday evening, **April 21st**. This will be our first in-person meeting since the Pandemic shut us down for the second time last October. **It will be held at our new location: American Legion Post 155, 13 Legion Way, Whippany, NJ 07981.** Come early with your Mustang to socialize. This is an important meeting as it is the final one before our spring show. Merchandise will be available and you can pre-order the new t-shirts.

Our first of the year is on Sunday, May 16th (rain date–10/23) at Nielsen Dodge/Chrysler/Jeep/ Ram in E. Hanover (rescheduled from April). It will run from 9 am–2 pm and will be an All Make/Model/Year show following a favorite 40 format. This dealership gives us a high-visibility location with a large parking lot. Last year's show drew over 300 vehicles. We are proud to have Operation ChillOut as the designated charity, so we are hoping to raise a lot of money for the cause.

SHIRTS FOR SALE

We are pleased to announce that we have made a deal with the Mustang Owner's Museum to sell some of their t-shirt designs. All three of these designs are printed on high-quality 100% cotton shirts, are available in sizes medium – 3 XL and feature a large print on the back & a smaller design on the left front chest. These shirts are so new that a couple of the designs haven't even been printed yet.

Front Left Chest

All three shirts will be \$20 (M-XL) or \$23 (2XL - 3XL). There will be limited quantities, especially in medium, 2XL & 3XL, so Mike D. will be taking pre-orders beginning at Mustang Day. There is a slim possibility that we will have one of the shirts available at Mustang Day or the April meeting, but we will have all three at our Spring show on 5/16.

To place an order after 4/17, e-mail Mike at 8550mustang@gmail.com.

The most important thing you can do is spread the word and pass out flyers. Flyers will be available at the meeting or you can contact the show chairman, Tom Addeo at 973-229-7735 or tomaddeo@yahoo.com

The day of the show we will need volunteers for registration, parking, 50/50, club table and perhaps some other jobs throughout the day. Please sign up at the meeting or contact Tom. We ask that if you are helping out, especially with parking or registration, you arrive by 7:30 am. If you can't be there by 7:30, please note when you will arrive on the sign-up sheet or when you contact Tom.

SHOW REGISTRATION DISCOUNT

One of the perks of being a GSRMC member is that you get to register for any or all of our 2021 shows for only \$5. This discount only applies to vehicles preregistered by the deadline. **This special rate is not printed on the flyer so it is up to you to register at the \$5 rate and indicate on the form that you are a GSRMC member.** If you are registering online, use the special discount code. **We also hope that all members attending shows will volunteer while they are there.**

Please note that registered members need to arrive prior to **9 am** to guarantee parking in the GSRMC member's parking area.

THE GREAT GSRMC SPRING 2021 ROAD RALLYE

March 27th was a beautiful, sunny, mid-sixties spring day. It was the perfect setting for the Great GSRMC Spring 2021 Road Rallye. It was the perfect day to take your Mustang out and drive it for several hours over unfamiliar roads dictated by a piece of paper while answering questions of varying degrees of difficulty.

In the early days of the GSRMC, we used to run at least one rallye every year. The late, great Pete Lundell & his wife Donna were the rallyemasters more often than not. Bill Chernack and I had signed on to run the club's March cruise and we were trying to figure out where we wanted to go. I was doing some spring cleaning and happened across a few of the old rallye route directions. One of them was a rallye my wife Louise and I had set up in the nineties.

With the mindset of “what could’ve changed in 30 + years”, we set out to relive the rallye. Five or so hours and untold arguments later, we made it to the end point and realized two things; first, a lot can change in 30 + years and second, we wanted others to go

through the misery that we just experienced. Once we started talking to each other again, we made the necessary changes and had the Chernacks test it to see if it needed to be tweaked. As it turned out, Bill & Joanne never even got to the end point. Adjustments were

made and after several more trial runs we were ready to unleash it on the rallye newbies of the GSRMC.

We had 16 cars start the rallye, 14 Mustangs, a Firebird and an F-150. It was as also nice to see members who turned out to see the rallyers off and meet them at the end. Some cars went right, some went left and they all travelled along lesser used roads in Bergen, Passaic and Rockland county, NY. They passed numerous historic sites, extravagant homes, quaint downtowns and even a miniature covered bridge. They answered questions about when towns were founded, the names of parks and whether the Red Mill is in fact red.

They stopped at historic Ringwood Manor where there is a cannon, a buried time capsule and

(contd. on pg. 8)

(Rallye, continued)

two types of snakes. In the end however they passed two bison weighing over 1,000 pounds each on the way to parking lot P4 at Van Saun park in Paramus.

Where we waited and waited and waited for the first car to arrive. Some arrived close to the target time but many were almost an hour beyond what we were expecting. No one, however had to dig into the bailout envelope.

When it was all said and done, our winners were also the only team driving a first-generation

Mustang. The team of Scott Guibord & Jonathan Collins in a '66 GT had the second most correct answers but were closet on time and mileage. Congratulations to them and all who participated.

Bill & I would also like to thank everyone who participated and came out for the day, We'd also like to thank our wives, Joanne & Louise for their help and support. I think that by the positive reaction from everyone, we will look into another rallye in 2022. I have one of Pete & Donna's Poker Runs that we could try as well.

(Story, continued)

Turns out the car was sitting for twenty years in a garage in Englewood, NJ. Upon checking it out, I found the car was built in San Jose, CA. The car had all original floors, torque boxes and sheet metal, a 289 V8, auto transmission, rally wheels, 8" posi trac rear end, rally pack gauges, and many more options.

I started to restore it in December 2000 and finished it in the spring of 2001. The original color was Tahoe Turquoise, with a two-tone, turquoise and white pony interior. I did all the work on it and my friend Pete DeCato painted the car. It still looks like the day it was finished.

We use the car as our Mustang driver, going all over and to local cruise nights and shows. It now resides in Florida, being used at least once a week along with Ken's '65. They enjoy a weekly cruise around Hutchinson Island. Like I tell Mare, I need a MUSTANG FIX.

There are so many good friends and memories that have come since owning our Mustang convertibles. They are certainly like "gifts" that keep on giving.

Old Business:

Reminder that there is a new location for future meetings, next month will hopefully be in person at the American Legion Post 155, which is physically across Rt 10, from the old VFW, about two blocks in, 13 Legion Place, Whippany. Last night they bailed on us and was told they are not open for rentals. Hall holds 300 people. Hopefully will get confirmation for April.

May try to do hybrid meetings in the future so people don't have to travel the distance.

New Business:

For Zoom meetings, Dale will continue to open meeting for chit chat an hour prior, like the parking lot chatter occurred in 'the good old days'.

Dale took a poll as to how many received a vaccine. Most members on the call have received their vaccinations. Jim and Joanne are going tomorrow at Walmart in North Bergen. Contact Walmart directly to schedule an appointment.

Dale and Rich reported on latest cruise – met at Walmart in Boonton; presented a check to fireman's home. \$1,700 given to them, they would love for us to come back with our mustangs. Took a ride to Hot Grill in Clifton, NJ. It was awesome, about 6 members. Everyone had a good time; all daily drivers. Most important thing was we were able to get together.

No one attended the Go Carts mainly because it was short notice.

Car show – 1) Really need volunteers to cover all of the different responsibilities that they have. 2) We need people to get out there and solicit gifts Dale has a letter that shows we are a 501(c)3. and 3)

Flyers – need to hand out flyers at different events.

Tom A. is the chair and Al is the co-chair. Several food vendors and regular vendors have already committed.

Parking; Greeters – Norm; Registration Jim, Annelle and Steve; June will help; Vendor liason is filled; Selling 50/50 – Rich & Sharon; Sarah will let us know if she

can help out; Rip 50/50 – Gene volunteered; Pre-rip 50/50 at Dale's house – Rich I will be there; Raffle – Casey; Door prizes and games: NEED SOMEONE; Voter Tally: John P.; Merchandise: Mike D. and Maryann H.; Trailer: Bill H.

Mike & Bill discussed our plans for the road rally coming up on March 27th - Start at Wawa in Lodi leaving at 10:00 a.m. sharp – driver's meeting at 9:45; will need two participants one to navigate and one to take notes. 2.5 – 3 hour road rally.

Louise & Mike did this 20 years ago; about half the places were closed and roads have changed a bit so they had to make adjustments. If you bring a Mustang you get bonus points but you don't have to. Doesn't recommend young children as they may get bored. Disclaimer - they are not responsible for any divorces. Need to know how many people are coming so they can have copies of the directions.

Bring clip boards and writing utensil. Bail out envelope which will tell you where the end is. Bill and Mike will provide their cell numbers in case anyone gets lost. Rain or shine event. Will end before sundown so everyone can get home to celebrate Passover.

Mustang Day – nailed one place down. Will provide more details. Starts in Morris County at 9 am. Save the date. Will end at 4 pm.

Bill C. – contacted by former member – Team Shelby East Coast doing an event on June 4th & 5th at Pocono Raceway – before Carlyle. If you want to bring your mustang. Trip to Carlyle in a caravan. Also doing a cars & coffee after mustang day. Sunday April 18th

Ken K. – June 10th – Trenton Mercer Airport doing an air show and offering rides in a different type of mustang.

Hospitality Report:

No report tonight as there were no virtual refreshments provided. Although Dale did purchase some goodies for tonight's meeting if it was an in person meeting. Motion to close the 332nd meeting was made and seconded.

Respectfully Submitted,
