Garden State Region Mustang Club

October 2024

Vol. 32, Number 10

President's Message

October, even though we're one month closer to my birthday, I know we are now on a fast track to 2025. The daytime temps are still fairly warm, but the nights and mornings are starting to get frosty depending on where you live. Well, let's concentrate on the days, as there are still a few events/activities/shows on the calendar.

Before I get into what's coming up, I want to mention our recent Autoberfest show, back at Nielsen Dodge this year. Despite my limited mobility due to a back issue, it was great to see so many members at the show. We had over 60 GSRMC cars registered, most of which were on the show field. As you know, there is a lot of work that goes into staging an event like this and I want to congratulate and thank the show chairs Stacey Yauch & Ben Ashmore, for a successful, well-run show. Of course, they couldn't do it without the help of the many committee chairs, so I thank them also and all of you who volunteered for those committees.

It was truly a great day. The weather was perfect; sunny but cool and the turnout of show vehicles was terrific. Despite my back troubles, I was able to make it all the way around the dealership once and found something going on in every corner of the large Nielsen parking lot. There were non-member show cars of all makes & models filling the front and side of the building. The member lot was filled with seemingly every year, model and color Mustang imaginable (A Mach E, but no Mustang II). There were two robotics teams demonstrating their capabilities out back. The two food trucks and Kevin with Jax Wax were doing brisk business on the one side. Out in front of the dealership there was a lot going on as well. How many shows our size have a

DJ & a live band? They shared the area with our two charities, Brick City Rescue and Sister2Sister. Our own merchandise table and raffle table were also there offering lots of great stuff, including two 55" TVs and several wheeled coolers donated by the dealer.

Did I miss anything? Probably, but you get the idea if you weren't fortunate enough to attend. Again, I just want to say thanks to all those who helped as well as everyone who attended. Although it is a car show, it's the people that make it happen.

Now that I told everyone what a great job you did at the show, I need get on your case a little bit about our club elections coming up. I have told everyone that Bill C. was stepping down as V.P. and I was hoping to do the same. Well, I have resigned myself to the fact that I will be staying on for the final year of my term. However, In addition to a V.P., we will also need to elect 4 Board members and a secretary. That's as many as 6 members needed to fill the slate. As of now, only 1 person is on the slate. **Nominees need to put their names on the slate by the October 16th meeting.** Please contact a member of the Nominating Committee listed elsewhere in this issue NOW!

So you may be thinking, what happens if the club doesn't have a secretary or a V. P. or a full Board? Those of you who have been members for a number of years may remember that we went for a year or more without a secretary. I was President at that time as well and I remember having to get a volunteer each month to take the minutes. Certainly not ideal. I was hoping to resign my position this year, and now I'm looking at serving my last term without the help & support of a V.P. and a full

Board. Do you think that makes the job easier? I just want you to think about serving the club for the next 2 years. Consider it. Please.

See you at the meeting,

Mike DeLiberto

CLUB ELECTIONS

CLUB NEWS

It is time for the annual GSRMC Elections. This year 4 Board seats, & V.P are up for election/re-election. Carol would also like to step down as Secretary. That means that we have 6 open seats and only 1 nominee on the slate so far. We need some of you to take a more active role in the club. The qualifications are simply that you have been an active GSRMC member for at least one year, that you are an MCA member during your term, and you attend at least 8 of the 10 Board meetings held each year. We will even be starting Zoom participation for the Board meetings. We are looking for people who can spend a little extra time to help guide the club for the next 2 years.

A three-member Nominating Committee was formed at the September 18th meeting. They will put together a slate of nominees that will be presented at the October meeting and voted on at the November meeting. If you are interested or would like to suggest someone, please contact a member of the Election Committee after before the October 16th meeting.

Bill Hartmann: 973-9197240, 65whartmann@gmail.com

Marc Krauss: 973-985-9245, marc.krauss@gmail.com

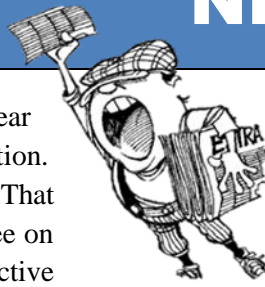

Mark Signorelli: 201-803-9109 mutant_mustang@hotmail.com

CLUB PHOTO

The reproductions of the 2024 Club Photo will be printed and ready for distribution at the Autoberfest show & beyond. Anyone who participated in the event can get a free copy by visiting the club table at the show, at meetings or by contacting him at 8550mustang@gmail.com. They are available on 5x7 photo paper or as a magnet.

DUES ARE DUE

It is that time of year again where we ask you to renew your club dues. Your GSRMC dues were due at the end

of September and become delinquent on January 1st. The dues are now \$20 per year. Please send the renewal form in this newsletter along with your check for \$20 as soon as possible. You will also be able to pay online by credit card or you can pay at the meetings. Either way, please be sure to submit a renewal form with your payment to assist in record keeping. If you fail to send in your payment by 12/31, you will cease to have access to the newsletter and will be taken off the e-mail list. Paying on time will also save us the time and/or expense of sending you a reminder letter.

COVER CARS WANTED

Your car on the cover of your club's newsletter. What could be better than that? And it's so easy.

We are looking for GSRMC members' Mustangs to feature on the cover and inside the Pony Xpress. All you have to do is take a few pictures of your prized pony from different angles; front, rear, 3/4 front, engine compartment, interior, etc. Then either write an article about your pony or fill out the info sheet located elsewhere in this issue. Finally, e-mail them to Mike D. at 8550mustang@gmail.com and sit by your computer until your Mustang gets the star status it deserves. It really is just that simple.

MUSTANG ALLEY STEALS THE SHOW AT THE ANNUAL WOODWARD DREAM CRUISE

show sites set up in different locations along the Woodward cruise route, with a different experience waiting for Ford fans at each location. And that didn't include the multiple Ford-centric groups and clubs who reserved various parking lots along Woodward to host private vantage points to watch the Fords and other notable cars cruising up and down.

From Ford's new Mustang Unleashed event site and the Bronco Nation gathering, to the Ford Media Clubhouse, Ford Parking at Pasteiner's, the M1 Concourse's Mustang 60th Display and the famed Mustang Alley -- there were lots of choices for Ford fans to catch the action. But the biggest draw has always been Mustang Alley -- where Ford has an entire section of 9 Mile Road closed off and filled end-to-end and curb-to-curb with only Mustangs, right at the beginning of the cruise route, both east and west of Woodward.

Every summer, more than a million gearheads from around the world gather in the Metro Detroit area for the annual Woodward Dream Cruise held on the third weekend each August. The official day of the cruise is held on that Saturday, but as the largest single-day automotive event on the planet, festivities and cruising actually begin on the weekend prior -- resulting in what insiders now call "Woodward Week." This year during the 2024 edition of the Woodward Dream Cruise, an 8-mile stretch of legendary Woodward Avenue just north of Detroit was packed with every sort of classic and collectible vehicle cruising up and down all week long. It seems because rain was forecast for cruise day itself, many people wanted to get as much time as possible cruising on Woodward in case of a Saturday washout. Luckily that didn't happen -- save for a brief afternoon shower or two.

Some 700-800 owners arrive at the entrance as early as 4 a.m. on cruise day to get parking in Mustang Alley, which offers a little bit of everything -- from true classics and survivors to modern daily drivers, and custom or modified Mustangs. There's also Shelby specific parking in the infamous

"Snake Pit," a Ford display area with all the latest products from the Blue Oval, plus a Ford partner pavilion area where specialty manufacturers such as Shelby American, Roush, RTR, Holman Moody, Gateway Classic Mustang, Ford Performance and many more have special displays set up. Thousands of people tour the alley all day long before eventually making their way back out onto Woodward Ave., where the cruise is going on in full swing at the same time.

With Ford Motor Company being the event's presenting sponsor for the seventh year, you'd expect to see far more than a few Fords cruising Woodward -- and that was certainly the case. Ford had multiple

If you haven't yet experienced the Woodward

Dream Cruise, all we can tell you is that this is a must-see, (contd. on pg. 6)

(Alley, continued)

bucket-list event, much like the Carlisle Ford Nationals. There's so much to see here, in fact, that – like we did with the Ford Nats -- we'll be bringing you series of "Quick Looks" from our Woodward coverage again this year, so bookmark FordPerformance.com/Enthusiasts now for an exclusive visual tour of what makes the Woodward Dream Cruise so special!

AUTOBERFEST 2024

September came to a close with little rain. However, the weekend before our show was rained out, so I started to get nervous about a wet Autoberfest, especially since all the other pre-show planning went off without a hitch. But sure enough, as the first Sunday in October dawned, you couldn't have asked for a nicer, crisp fall day for our club's second show of the year.

After all the hard work of GSRMC members passing out fliers all summer, the anticipation was clearly high as the first non-club member rolled in at 7:30 a.m. to start the lineup for registration that opened before 9:00 a.m. In total we had 189 cars, 61 one of which were members.

Credit for such a smooth show, in my second time co-chairing it, goes to all the members who assisted, but especially my co-chair Stacey Yauch, our reliable parking captain Brian DiDomeninco, Steve Yamin & Lisa Spring on Registration and George Wieger tallying the votes. Plus, after all his years chairing this show, it was nice to see Tom Addeo relaxing behind his car with his Great Dane.

Every time I walked by our food truck, Jersey Johnny's, and the glitzy school bus turned into Cafe & Cones, next door, folks were lined up for great food, sweets and coffee. Of course, our regular DJ, SC3 Entertainment, played a great mix with speakers all around Nielsen Dodge. Then a live band, Vera & the Force, played two sets. If everyone wasn't in a good enough mood from the great weather, food and music, there were plenty of great cars to see.

Two high school robotics teams provided some very expensive entertainment. I was shocked at the costs of the robots — more than a lot of the cars on display out in front of

the dealership — and the several thousand-dollar entry fee these teams pay for entry in competition. I'm no longer going to complain about the costs of car parts. The club made a \$100 donation to each of the teams.

Mike Parent makes it his goal at each of our shows to collect more in 50/50 tickets than the last show and boy did he exceed expectations, bringing in several hundred dollars more than last time, for a total over \$1,000. Karma rewarded his hard work when his '69 Mach 1 won a Top Ten award among the club cars come time to hand out trophies! Half of that 50/50 total and all the proceeds from the basket/TV raffle (Thanks Brian & Marissa D. and Jenny P.) went to our two charities. Brick City animal rescue had one of their pups on hand and it got lots of love. We also welcomed back the Sister-2-Sister charity (after all, October is Breast Cancer awareness month)!

All in all a great show, with one tiny exception: Stacey had what all thought was a great idea — several corn hole boards and to do a 50/50 type corn hole tournament charging \$5 admission. Except no one wanted to play corn hole! I guess too many great shiny cars out in front of the dealership and both old and new friends to catch up with made corn hole unnecessary. Maybe next year we put this on the flier and attract some corn hole aficionados that also collect classic cars...

Of course, we couldn't have such a great show without the support of Nielsen Dodge. Dean and "Hemi" John always make sure we have what we need to put on such a great event.

Ben Ashmore

OCTOBER 25-27, 2024 @ THE SUSSEX COUNTY FAIRGROUNDS IN BEAUTIFUL AUGUSTA, NJ

participants of the event. There are plenty of adult volunteers that own mustangs and are not yet a part of a club as well. It is my hope that this event will provide a moment for the car bug to take effect on the boys and girls that will be at the fairgrounds that day. And we are aiming for 5,000 to be there! Of course, if you are so inclined and have a little more energy to share, there is a way for you to participate as well. Through the Automotive Care merit badge, I'd like to engage a few club members to speak about any number of specific objectives of the badge. Things like demonstrate how to check brake fluid, engine oil, coolant, Power steering fluid. Windshield washer fluid, and Trans fluid, or explain the function of the fuel gauge, speedometer, tachometer, oil pressure, and engine temperature gauge. Point each one out on the instrument cluster. There are plenty of requirements along those lines that can be done as scouts pass by your cars and may give you an opportunity to show off your years of knowledge.

A meal ticket will be provided so you can have some lunch and you are also free to roam about the event to see what's happening. The club is encouraged to setup a membership booth or have membership info available. This isn't your normal event or car show, it's more like an opportunity to get kids interested in our hobby. I'd appreciate your thinking of helping out and spending a few hours with the Scouting program in NJ.

My Contact info is Jay DeBoey, 908-963-5985, commissioner@ppcbsa.us

COVER CARS WANTED

Your car on the cover of your club's newsletter. What could be better than that? And it's so easy.

We are looking for GSRMC members' Mustangs to feature on the cover and inside the Pony Xpress. All you have to do is take a few pictures of your prized pony from different angles; front, rear, ¾ front, engine compartment, interior, etc. Then either write an article about your pony or fill out the info sheet located elsewhere in this issue. Finally, e-mail them to Mike D. at 8550mustang@gmail.com and sit by your computer until your Mustang gets the star status it deserves. It really is just that simple.

Greetings everyone, I thought I provide a write up for our newsletter that helps to describe an event that I am hoping a few of you would like to attend as members of the GSRMC.

On October 26th at the Sussex fairgrounds in Augusta NJ the Patriots Path council of the Boy Scouts of America will be holding a Jamboree. The Jamboree is called the Jersey 360 because it happens on the 360th anniversary of New Jersey. Patriots Path Council serves 12,500 youth and more than 5,000 volunteers in Middlesex, Morris, Somerset, and Union counties. And events like this are an effort to bring all scouts and scouting volunteers to one event filled weekend that promises to thrill all involved, build memories and strengthen the bonds of scouting. Scouting in the 21st century is an ever-changing landscape for boys and girls ages 5 to 18 with some programs extending to 21 years of age.

My request for the club is to have members bring their cars for a display and introduce the hobby to the

SEPTEMBER MEMBERSHIP MEETING MINUTES

374th Meeting

Date: September 18th, 2024

In person meeting at American Legion in Whippany

Business Meeting opened: 7:39 pm

Meeting Adjourned: 8:27 pm

President Mike welcomed all attendees. Started with the Pledge of Allegiance. Approximately 44 members attended.

Guest Speaker:

- None

Secretary's Report:

- The August monthly meeting minutes circulated via email were reviewed and approved!

Treasurer's Report:

- Lisa S. gave the report.

Membership Report:

- Joe D. reported that we have 208 members
- Starting 10/1 to renew it is now \$20.00
- Doug Gable – 2022 Mustang; Anthony C. '13 Boss; Joe Garcia '99 GT

Sunshine Report:

- Maureen absent; sent cards to: Joanne Chernack her father passed away; Norm and Diane Winters having surgeries this month.

Merchandising:

- Jacket orders tonight. Also at the show & next meeting. Price should be around \$95 - \$100 depending on quantity. Samples of men's jackets and women's jackets. Women's are very small may need to order size up. Can pay by credit card, check or cash.

Website:

- Bill C absent; 10/1 last day to register online; will reflect new dues

Facebook:

- No issues posting car shows
- Members only page

Newsletter:

- August newsletter went out this week
- Send Mike pictures from shows for the archives and Newsletter.
- Always in need of cover cars

National Report:

- Steve Y. reported –
 - October 10, 2024 – Savanna, GA
 - April 2025, Orlando, FL
 - June 2025 – National show in Cincinnati
 - August 29, 2025 Grand National, Fredericksburg, VA (points are higher)

Old Business:

- Club picnic & photo 8/25 – Hamburg Firemen's Pavilion, Hamburg. Bill McCombs and Sue were the chairs. Over 60 people; great weather, great food, great fun. Thanks to Bill & Sue, Don & Paul. Everyone who was there. The club photo turned great – had 32 cars. Thanks to Tom Mynes for drone pics. Photos will be available at show.
Revolutionary Road tour – 9/28 Mike NJAACA – starts in Princeton, goes to Monmouth

(contd. on pg. 14)

(Minutes, continued)

Battlefield to Sandy Hook. Can follow the direct route or just go to whatever location you want. Let Craig know ahead of time; he will only print directions as needed. Mike will provide contact information if you are interested.

- Autoberfest – 10/6 rain date 10/20; Nielsen Dodge. Ben & Stacey Flyers available tonight. Please distribute. Registration open. 9-2 need help especially in am hope to have open by 8:30. Flyers in the back – get the word out. Last meeting before show. This is how we make our money. Only 30 people signed up usually have 50; after 10/1 will be at site registration only. Donations for basket give aways. Arrive 7:30 am
- Scouts Jamboree – 10/26 –from 9-2; Sussex County Fairgrounds; space for 25 cars paved area for cars; Lunch vouchers will be provided by scouts. Encouraged to make donation to organization.
- Haunted Highlands Tour – 10/27 if interested see Mike after meeting.
- Club Elections – need 2 more volunteers for nominations. This year 4 Board positions up for election/re-election with only 1 Board member seeking re-election. Plus we’re looking for a VP and possibly secretary & President.

New Business:

- Maywood Fall Festival 10/5 Jim S. Borough Administrator so impressed by our showing. Asked if we can provide 5 to 10 cars for their

festival. Also a craft festival. Meeting place – at Provident Bank. Festival starts at 11 am; be there at 10:30; anyone interested reach out to Jim S.

- Installation Dinner – 1/11/25 (tentative) Bill & Maryanne Hartmann chairs. Return to Cinders
- D&O Policy & General Liability – club used to an insurance policy that covered the Board and Directors. Will cost \$2,000.00 per year.

Miscellaneous Business:

- Oakland Trunk or Treat is on for 10/26; only issue is a Craft Market is also taking place in same area; Crossroads Church is having a trunk or treat on 10/26 from 2-4
- Oakland car show is on for 9/22
- Bill Pritchett is 80 years old tonight – Happy Birthday!
- Califon show featuring the mustang; 9/21
- Kingston show 9/28 HVMA 42nd Annual Show

Hospitality Report:

- Thank you Paul and Stacey for setting up coffee and dessert.

Reminders:

- Sign attendance sheet
- Autoberfest show
- Jackets
- Maywood Festival
- Stay awhile!

Motion to close the 374th meeting was made and seconded.

Respectfully Submitted,
Carol-Ann Rose, GSRMC Secretary

GSRMC meetings begin at 7:30pm on the 3rd Wednesday of each month at American Legion Post 155, 13 Legion Pl., Whippany, NJ 07981

Members & guests are encouraged to attend.

FORD PRESENTS MUSTANG ENTHUSIASTS WITH EXCLUSIVE “RARE PARTS” COLLECTION

Have you ever wanted to own a piece of Mustang history or something unique to show off to your friends? Ford is pleased to offer its “Rare Parts” Collection, featuring exclusive Mustang speedform “jellybeans,” limited-edition 2024 Mustang giclee prints and more for purchase, with proceeds benefiting the “Breakthrough T1D” (formerly JDRF). In an exclusive behind-the-scenes look into the Ford Mustang development process, Ford is hosting a “Rare Parts” Collection, offering items that are almost never available to the public. Take your pick from a curated selection including limited-edition prints, memorabilia, wheels and more.

Get a taste of what it's like to have a Mustang on display in your living room, with your own speedform model. These “jellybean” models represent some of the colors available on the 2024 Mustang, with favorites like “Grabber Blue,” “Race Red,” and “Yellow Splash” available in this collection. Each model is mounted on an acrylic base and signed by the members of the Mustang Design team. There is one jellybean available in each color, and they can be purchased for \$600 each, with a certificate of authenticity included.

If decorative parts are more your style, Ford is also offering carbon fiber Shelby GT500 rear wheels. The 20-inch wheels came standard on the 2019-2023 Shelby GT500 Track Package and were used over a four-year period by the Ford Media Fleet as they tested their performance capabilities. They were also a part of the GT500 Track

Tour, where enthusiasts like yourself from all over the world had the chance to take this incredible

vehicle for a spin. Although these wheels aren't driveable, they make for the perfect coffee table base or wall adornment. Two wheels are available, and they can be purchased individually for \$1,000, with a certificate of authenticity included.

Also available from the “Rare Parts” Collection are three artist renderings of the 2024 Mustang from different angles and times in the design process. These limited-edition 12”x 18” prints provide an interesting perspective into the artistic vision behind the seventh-generation’s powerful look. Each print is numbered and signed by Ford’s Mustang Global Design Director, Joel Piaskowski, with three copies of each available. They can be purchased individually for \$150 and include a certificate of authenticity.

As special as the man who designed the first Mustang, Gale Halderman’s watch is available for purchase as part of this rare collection. The gold tone, classic style Citizen watch with black lizard strap was worn by the legendary designer and donated to Mustang expert John Clor. This piece of Mustang history can be purchased for \$500 and includes a certificate of authenticity.

All Ford profits from the “Rare Parts” Collection sales will be donated to Breakthrough T1D, formerly JDRF, as Ford supports them in their search for a cure for Type 1 Diabetes. No matter which item you have your eyes on, you can’t go wrong with so many unique collectibles available, all benefiting a great cause. So don’t delay, visit <https://merchandise.ford.com/collections/mustang-rare-parts> for full information about making a purchase.

1. If you are not the original owner, how did you locate this Mustang?
2. Does your car have an unusual history? Low mileage, very high mileage, drag racing?
3. In what condition did you find it? Was the color correct? Was the engine correct? What major changes were necessary to make the car original?
4. Which options are original, and which have you added in restoration?
5. How long did the restoration take? Was it done at your home, or in professional shops? Who were the pros, if any?
6. Has this car received awards or special recognition? Has it ever been featured in magazine articles?
7. Did any family members assist in your restoration? Any fellow club members assist?
8. Do you prefer to drive your Mustang daily, occasionally, or never? do you take part in concours shows, racing or AACA events?
9. Please add any other interesting information about you and your Mustang.
10. Have you owned other notable Mustangs or Sheldys in recent years? What and when?
